

MEMORANDUM TO MEMBERS OF THE NATIONAL SCIENCE BOARD

SUBJECT: Major Actions and Approvals at the March 1, 2016 Meeting

This memorandum is made publicly available for any interested parties to review. In accordance with the Government in the Sunshine Act, this teleconference meeting was closed to the public.

The National Science Board took the following major action at the Board's 445th meeting:

- The Board approved a resolution authorizing the Director of the National Science Foundation, at her discretion, to make a new award for the construction and initial operations of the National Ecological Observatory Network from any funds remaining from the amount authorized under NSB-10-40 and NSB-13-7.

Michael L. Van Woert
