

National Science Foundation

Request for review and correction of information under Section 515

In accordance with Section 515 of Public Law 106-554, codified at 44 U.S.C. § 3516, note, the National Science Foundation (NSF) has developed mechanisms to allow affected persons to seek and to obtain, where appropriate, correction of information disseminated by NSF.

To seek a correction under Section 515 of information disseminated by the National Science Foundation, individuals should follow the procedure described at <http://www.nsf.gov/home/pubinfo/infoqual.htm>. (To amend information about you that is covered under the Privacy Act, you must follow the applicable Privacy Act procedure (see 45 CFR 613.4)). The section below provides a method for submitting a Section 515 request online.

Publication / Report Title
(Include date and publication
number, if any):

If found on our website, please
indicate web page address
(URL):

Describe the specific
information you believe needs
correction:

Provide the text of the
“corrected” information as you
believe it should read:

Describe why you believe the
information needs correction
(Cite or provide relevant
documentation that supports
the need for correction):

Describe why you believe the
information, for which you are
seeking correction, does not
comply with the information
quality guidelines issued by
OMB
(<http://www.whitehouse.gov/omb/inforeg/infopoltech.html>) or
NSF:

Describe how you are using and are affected by, i.e., how you are hurt by or would benefit from, the information you believe should be corrected:

Name:

Organizational affiliation (if any):

Have you previously contacted anyone at NSF about this?

Yes No
If yes, please name _____

How would you like us to respond to you:

Mail Fax
 E-mail

Mailing address:

E-Mail address:

Fax number:

May we contact you by phone for clarification?

Yes
 No

If yes, please enter phone number:

Print this page if you wish a printed copy of your submittal.

Mail requests may be sent to:

Section 515 Information Quality Officer
The National Science Foundation
4201 Wilson Boulevard, Room 305
Arlington, VA 22230

Or may be sent via fax to:
(703) 292-9084

NSF 1500 (08/02)
